

Hello members of the Winnebago County Traffic Safety Commission,

On **Wednesday 9/9/2026 at 230pm** you are all invited to a small surprise presentation at Valley Express for one of our senior drivers.

We will be presenting a *Certificate of Achievement* from the **US DOT** that was signed by the *Administrator of the Federal Motor Carrier Safety Administration, Derek Barrs*.

Our driver has been recognized as a Wisconsin Motor Carrier Association Safe Driver for the last 20 years, and just recently received this award from the FMCSA.

The Certificate of Achievement he is receiving is a very high honor that is not awarded very often.

Please feel free to attend and congratulate him on his achievement. Please also let your management staff know and pass this invitation on to them.

We would love to have some pictures taken with our local first responders, Highway Department, and all of you, to help him remember this special occasion.

Thank you,

Dan Miller
